

Highlights of Valletta

This walk explores some of Valletta's backstreets, and affords some great views.

Start City Gate
Distance 2.25km
Duration One hour

Take a Break... High-end bistro **Noni** combines traditional Maltese and Mediterranean flavours.

4 The National Museum of Archaeology is housed in the Auberge de Provence; highlights include the 'fat ladies' statues from Hagar Qim.

5 St John's Co-Cathedral is the most important church of the Knights of St John and is filled with glorious baroque excesses.

Marsamxett Harbour

2 Renzo Piano's 2015 Parliament Building is simultaneously architecturally bold and in sync with centuries of history.

6 History from the Great Siege through to the Cold War's end is covered in the **National War Museum** in Fort St Elmo.

Grand Harbour

7 The Lower Barrakka Gardens contain a little Doric temple commemorating Sir Alexander Ball, the naval captain who took Malta from the French in 1800.

Classic Photo Across the Grand Harbour towards Fort St Angelo.

1 The Renzo Piano-designed City Gate is an inspiring new structure channelling the heritage of Valletta's original 1633 city entrance.

3 The Auberge d'Italie (1574) now houses **MUŻA**, Malta's new National Community Art Museum.
