

Rotterdam Neighbourhoods

Noord

Gradually gentrifying, this multicultural district is gaining a reputation for its cafe culture, microbreweries and offbeat boutiques.

Centrum

The geographic heart of the city, Centrum is home to iconic buildings, big-hitting cultural institutions and a diverse array of restaurants, cafes, bars and shops.

West

The pace is slow and the neighbourhood feel is pronounced in the suburbs west of the city centre, which include the areas that escaped destruction during WWII.

Zuid

The districts south of the river are characterised by their innovative urban design, cutting-edge modern architecture and popular eating and entertainment venues.
