340 miles

**Cape Disappointment**
Rocky end-of-the-continent cliff-top where Lewis and Clark first sighted the Pacific

107 miles

**Stonehenge**
Four thousand years newer than the English original but still impressive

385 miles

**Ecola State Park**
Quintessential Oregon coastal scenery beloved by surfers and hikers

182 miles

**Beacon Rock**
This steep-sided rock rises like a mini-Gibraltar above the Columbia
