

## 3 PERFECT DAYS

---

### ♥ DAY 1 // NICE, BELLE OF THE CÔTE D'AZUR

Wake up to Vieux Nice's vibrant market scene. Enjoy the buzz of the market from a café terrace on cours Saleya (p197) and get some picnic supplies from the groaning stalls. Head to the Colline du Château (p201) to feast on views and delicacies. In the afternoon, arty types shouldn't miss Nice's Musée Matisse (p201) or the Musée d'Art Moderne et d'Art Contemporain (MAMAC; p202). For something more active, rent out skates and zoom along the Promenade des Anglais (p201).

### ♥ DAY 2 // SCENIC RIVIERA

Make your way to Èze (p216), the coast's most stunning perched village. Wander about Jardin d'Èze (p216) for breathtaking views of the coast and lunch at Château Eza (p217) to revel in style in this exceptional panorama. Head back down to the coast and spend the afternoon at the eccentric Villa Ephrussi (p213) or admiring Jean Cocteau's frescoes at Villa Santo Sospir (p214) in St-Jean-Cap Ferrat.

### ♥ DAY 3 // HIT MONACO

Start with a visit of the Jardin Exotique (p224), from where there are stupendous views of the principality. Lunch at one of Monaco's excellent Italian restaurants before heading to Le Rocher (p221) for the afternoon. A couple of hours should do justice to Monaco's outstanding Musée Océanographique (p223). You can then head to Monte Carlo for an evening of fun: drinks at Karé(ment) (p229) and a gamble at the casino (p223).
