Spotting pages

On these pages, you'll find a list of items to spot around you. If you see one, check it off. The harder to find, the more points scored! Each item is then hidden in the scene on the next page. It's time to find them and color them in.

Drawing pages

Let your creativity run wild and create your own scene based on where you are and what you've seen.

Doodle it! Sketch something on the screen that made you laugh, gasp, scream or cry at the movies!

At the park

There's always lots of playing and whizzing around at the park.
Spot as many of these games and activities as possible!
