AUTHOR THANKS

Mark Elliott

In a sense I've been researching this book for nearly two decades since being dragged very willingly to Belgium by love and bubbles. Sadly neither last forever, it seems. Nonetheless, my admiration for the country has outlasted everything. A million thanks to my unbeatable family for endless support, and to uncountable folks who have helped me over many years of exploring the region, notably Wieland de Hoon, Hans Rossel, Guy Jacobs, Dani Systemans, Lesley Devos and Valerie de Kerpel.

Helena Smith

Most of all thanks to Anne Ponslet for her generous help and for the lowdown on shops, galleries, parks and bars. I'm also grateful to Kristof Buntinx, who knows all there is to know about gay Brussels; Michael Scharf for information on restaurants in the city; and Tine Declerck and Nicolas Marichal in the super-friendly USE-it office.
