Why Go?

Inspired design, technology and epicurean scenes meet epic stretches of wilderness here in Europe's deep north, where summer's endless light balances winter's eerie frozen magic.

Whatever the season, there's something pure in the Finnish air and spirit that's vital and exciting. With towering forests, speckled by picture-perfect lakes, Suomi offers some of Europe's best hiking, kayaking and canoeing. After the snowfall, pursuits include skiing, sledding with dogs or reindeer, snowmobiling or trekking across snowy solitudes, lit by a beautiful, pale winter sun. And of course, there's catching in the majestic aurora borealis (Northern Lights).

Vibrant cities stock the south, headlined by the capital, Helsinki, a cutting-edge urban space with world-renowned design and music scenes where 'new Suomi' cuisine is flourishing, bringing locally foraged flavours to the fore. Beyond Helsinki, Tampere and Turku are especially engaging, with spirited university-student populations.

When to Go

Helsinki

Mar–Apr There's still plenty of snow, but enough daylight to enjoy winter sports.

Jul Everlasting daylight, countless festivals and summer budget accommodation.

Sep The stunning *ruska* (autumn colours) season make this prime hiking time up north.
