

Austria Trips

AUSTRIA IS A ROAD-TRIPPER'S FANTASY LAND. Not only are there spectacular backdrops of spellbinding landscapes and storybook architecture, but opportunities abound to get out and experience them.

Along these routes, you can scale soaring peaks, ski year-round, scuba-dive crystal-clear glacial lakes, raft white-water rapids, pelt down toboggan runs and delve into glittering ice caves and salt mines.

When you've had enough thrills and spills, Austria's multitude of cultural pursuits span medieval castles to monumental palaces, art-filled museums and magnificent churches, as well as the remains of Roman settlements and sobering WWII sites. You can taste cheese at Alpine dairies, schnapps at distilleries, and beer and wine in monasteries where they're still made by monks. Or just hop aboard a horse-drawn carriage to clip-clop through cobbled, lamp-lit city streets.
