WRITER THANKS

Tom Masters

Huge thanks first of all to Moritz Estermann, who accompanied me on the first leg of this trip. Big thanks also to the scores of resort employees who helped me with my trip and went to great lengths to help me reach distant islands: you are way too many to thank, but know who you are. Big thanks also to

Misbah, Shauna, Shamoan, Aziz, Paul, Basith, Clara, Richard and the whole team at MWSRP.

ACKNOWLEDGEMENTS

Climate map data adapted from Peel MC, Finlayson BL & McMahon TA (2007) 'Updated World Map of the Köppen-Geiger Climate Classification', Hydrology and Earth System Sciences, 11, 163344.

OUR STORY

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Franklin, London, Melbourne, Oakland, Dublin, Beijing and Delhi, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.
