Welcome to Ibiza

All-night raver, boho-cool hippy, blissed-out beach lover – there's more to this sun-kissed, beach-bejewelled, pine-clad, party-hard Balearics sister than meets the bleary eye. In summer, the world's top DJs descend, yet Ibiza Town remains historically enchanting. Uncover hushed hamlets, secluded coves, rural hotels, organic-powered dining and the hippy heritage of the less-developed north (and Formentera): Ibiza's appeal is one-of-a-kind.
