Welcome to the Lake District

For natural splendour, nowhere in England compares to the Lake District – home to the UK's most popular national park, England's highest mountain, and a World Heritage Site since 2017. With a postcard panorama of craggy hilltops, mountain tarns and glittering lakes, it's a place that stirs the imagination. Lace up your boots: it's time to get out and explore.

Windermere (p36)
