## **ONLY CALIFORNIA GIVES GREAT AMERICAN ROAD TRIPS A HOLLYWOOD ENDING.**

Ever since the early days of Spanish conquistadors and gold-rush pioneers, the eternal quest for fortune and fame has inevitably led to California's golden shores. But even gold will seem overrated once you've seen the platinum glint of the Pacific, and no movie star will ever be as big as California's mighty old-growth redwoods or giant sequoia trees.

Hang tight around curves that hug the coastline on legendary Hwy 1, stringing together sandy beaches, surf and seafood shacks. Follow country lanes to famous Napa and Sonoma Valley vineyards. Take a head-spinning trip on Sierra Nevada byways past jagged peaks and glacial lakes. Honestly, there's no such thing as a wrong turn here.

In California, dreaming comes with the territory.
